

Donation Request Form

Bengals is very interested in giving back to our community. We would love to take a look at your donation request, but keep in mind that we receive an extremely large number of donation requests each year and therefore cannot respond favorably to every request. Please complete this form so we can properly evaluate your request. You may attach more information if you think it would be of use. Just because you fill out and submit this form does NOT guarantee we will approve your request.

This form is only for requests that are charitable in nature. If your request is actually a marketing proposal, please complete the Marketing Request Form. Advance notice (at least a couple of weeks) is required in order for us to properly examine your donation request.

Instructions: Fill out this form and either email it to Jay@BengalsBarandGrill.com or return it to Bengals at 227 S. Sixth Street, Columbia, MO 65201.
