

Marketing Request Form

Bengals is interested in hearing about your advertising opportunity. We would love to advertise with everyone, but keep in mind that we receive an extremely large number of marketing requests each year and therefore cannot respond favorably to each request. We use our marketing dollars very wisely and deliberately, so your idea must be profitable for us. Just because you submit this for does NOT guarantee we will accept your request.

This form is only for advertising opportunity requests. If your request is actually a donation request, please fill out the Donation Request Form. Advance notice of several weeks is strictly required for all marketing requests so that we can properly examine your idea.

Instructions: Fill out this form and either email it to Jay@BengalsBarandGrill.com or return it to Bengals at 227 S. Sixth Street, Columbia, MO 65201.
